Jayprakash Mahato

MERN Stack Developer

Frontend and Full Stack Web Developer with hands-on experience in building responsive, scalable, and secure web applications using the MERN stack. Proficient in React.js, Node.js, Express.js, and MongoDB with a strong grasp of modern UI design using Tailwind CSS. Developed multiple full-stack projects featuring authentication, course management systems, and RESTful APIs. Skilled in version control using Git & GitHub and familiar with Agile development practices. Eager to contribute technical expertise and creativity to innovative development teams.
